This plan outlines a four-year path to graduation. You are expected to satisfy all "success marker" courses, grades, and GPAs as specified. For part-time students and students needing to complete background material, this schedule represents the order in which courses should be taken. This suggested plan to four-year graduation does not replace regular advising appointments. Some course offerings may change.

Notes

*Classical Humanities majors are encouraged to begin with the study of Latin and take Greek in their Junior or Senior years as an elective. Five semesters of Latin/Greek double counts as both the CoLA language requirement and the Major requirement.
**Classical Humanities majors are encouraged to take CLS 1500 & 1600, which double count as both Core courses and CLS electives.
Graduation requires 124 total credit hours. 42 hours must be at the 3000 level or above.
