## Criminal Records Disclosure

Name (print): \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

The Ohio Counselor, Social Worker, and Marriage and Family Therapist Licensing Board requires that you complete a form detailing any criminal history. To help prepare you for this process and to help screen potential senior placements, we are asking you to complete this application. You will NOT automatically be denied admission to the Department of Social Work or, in the future, a license to practice. However, failure to accurately provide this information will be considered falsification. If you have any questions about this process, please make an appointment with Dr. Sarah Twill.

The following language has been taken from the Licensing Board and also applies to the WSU Department of Social Work application :

*The Board does not pre-evaluate criminal convictions; the evaluation is a part of the application process. Since the Board has the responsibility to protect the public, a primary objective of the Board is to ensure applications for licenses from applicants with criminal convictions have documentation on file that gets an appropriate review. For this reason, the Board evaluates all misdemeanors and felony convictions in the same manner for each type of professional license.*

*All applicants are required under law to report all misdemeanor and felony convictions unless they are only minor traffic violations. All charges and/or convictions require a "yes" answer, even if the original charge and conviction is in an expunged status. Failure to report any police record is falsification of an application and is grounds for denial of an application. When reporting convictions, the applicant is required to provide a complete explanation of the underlying circumstances, sufficient rehabilitation evidence and a copy of the court documents. The Board evaluates each application with any reported convictions on a case-by-case basis to make a determination concerning the applicant's ability to practice with safety to the public. Included in the Board's evaluation is the nature and severity of the offense, additional subsequent acts, timeframe of crime, compliance with sanctions, and evidence of rehabilitation. \_\_\_NO

\_\_\_YES. If yes, please provide detailed information, and include any disciplinary actions. Additional documentation may be required.

2. Have you ever been convicted of a felony?
