FORENSIC STUDIES MINOR

Are you interested in finding out about forensics or crime scenes?

A *Forensic Studies* minor will expand your knowledge of the crucial role that science plays in assisting all facets of the criminal justice system. This multidisciplinary curriculum incorporates courses in both the social and natural sciences in order to understand how scientific techniques are integrated into the criminal investigative process and beyond.

Students admitted into the Minor in *Forensic Studies* must have a declared major at Wright State University. Additionally, students must have completed ENG 1100, 1130, or 1140 with a grade of C or better and at least two other courses in the WSU Core and a 2.0 GPA.
