Dear Graduate: Congratulations on your graduation. As you approach the end of your classes at Wright State you are in an excellent position to provide us with your perspective of Wright State, of the School of Music, and of your experiences here. This is an important way that we can assess how we are doing. I appreciate you taking a few moments to respond to the following questions. When you are finished, please give the questionnaire to me or to any member of the office staff. If at all possible, please make an appointment to meet with me to discuss your experiences so we can make improvements for the future.

Once again, Congratulations!
