

French

Wright State University

Did you know?

If you have taken FR 2020 through College Credit Plus, you are only **4** classes away from a French minor at Wright State!

Check out some of your options [here!](#) We offer classes on culture, conversation, literature, history, business, comic books, social media, cuisine, study abroad, and so much more.

Looking for other options?

If you can't get enough French, you are welcome to join us as a language [major!](#)

Students at Wright State also often combine a French minor or major with academic programs in International Studies, Political Sciences, International Business, Nursing, Engineering, Biology (Pre-Med), and many others!
