Midterms are finished! Hit the home stretch with another edition of LEAP News

Carillon Park
The summer’s field trip was to Carillon Historical Park. LEAP students got to learn about Dayton’s history of innovations, and they even attended a class in the old-fashioned school house.

Ponitz High School Visit
LEAP welcomed 25 soon-to-be high school ESL students from Ponitz Career Technology Center in Dayton. The students, from Iraq and African & South American countries, have been working with faculty member Dr. Brian Boyd in WSU's College of Education and Human Services on a math prep course during Summer A-term. They spent the morning learning about WSU and LEAP, and they played a trivia game.

Breaking-the-Fast at Pasha Grill
Thank you PASHA GRILL for a wonderful evening as LEAP teachers & students came together for a Ramadan break-the-fast this month. Fantastic food and service and just a very nice evening together!
**Pronunciation Improvement**

A fourth session of our popular evening Pronunciation Improvement class just ended. Pictured here are students from Russia, India, Sri Lanka, Panama, Puerto Rico and Taiwan and instructor Pam Everly in the middle. Since the class was first offered Fall 2018, 29 students from 14 countries have taken the course. Our next session will be offered August 28 - October 4.

**World Cup**

LEAP kicked off the 2018 World Cup both in and out of class. Tom's grammar students practiced comparatives while completing a bracket challenge.
