Welcome to LEAP News! We want former students to stay connected to LEAP. In this newsletter, you'll find out what's happening in our program and at Wright State.

Let us know what you're up to. Email Jeannette at jeannette.horwitz@wright.edu
We love success stories about LEAP alumni!

LEAP Fact of the Month:
As of 2017, LEAP has had students from 30 different countries!

Trip to COSI
LEAP took a field trip this semester to a new destination. The science center in Columbus allowed our students to interact with science and technology in fun and engaging ways, as the photo of one of our students on a high-wire unicycle clearly shows! Check out our Facebook page for more pictures.
Wright State creates Pre-College Residential International English Institute

LEAP, together with WSU’s Pre-College Programs, will offer a two week summer program to teach English to international high school students and give them a U.S. college experience. The Residential International English Institute is being offered for the first time by Wright State University.

LEAP for Locals

LEAP now offers half-price tuition for Ohio residents wanting to improve their English so that they can advance in their personal, professional, or academic environments. If you know any US citizens or permanent residents who want to work on their English, please tell them about LEAP for Locals!

Study in LEAP on F2 Visa

It isn’t just permanent residents LEAP wants to help. F-2 visa holders who are at least 18 years old can now take LEAP classes part-time. The program already has been a great success. In fact, this semester we have 6 F-2 visa students enjoying classes in LEAP!
