May 2018 - Volume 2, Issue 5

Summer semester is heating up. Cool off with the latest edition of the LEAP News!

Welcome Party

We kicked off the semester and the first week of classes with a really fun welcome party in the office, complete with our own troubadour playing music for us! We love our summer semester group of students! This is going to be an awesome summer!!

Garden of the Senses

Chris’ writing class enjoyed the beautiful spring weather and got some inspiration from the Garden of the Senses. It’s just across the street from the LEAP office and it’s a great place to relax and escape the stress of student life.

LEAP Paints the Rock

LEAP students and teachers showed their Wright State pride by painting the rock this month. We had a great time enjoying the outdoor weather and showing WSU our "artistic" talents.
LEAP's director Jeannette and instructor Pam visited Fuyao Glass America, an auto glass manufacturer in Dayton. They presented about LEAP to the company's Chinese-speaking employees. They also did a pronunciation workshop for the group. The best part of the visit to Fuyao was to catch up with LEAP and Wright State graduate Henry Jiang from Dalian, China (pictured on the left) who is now employed by the company! It's so great to see our students accomplishments!

**A World A'Fair**

LEAP students enjoyed the 45th annual World A'Fair at the Dayton Convention Center this month. The festival is a great chance to explore Dayton's international community, sample some amazing food, listen to music from across the globe, and watch amazing dance and acrobatic performances.

**Life in the University**

A big Thank You to Louise Wang (MA TESOL) and Salman Saeed Al Aali (MBA) for coming to Kelly's Level 3 Integrated Skills class to speak about "Life in the University" this week. We appreciate your advice to our students on how to be successful in LEAP and in the university. Keep in mind these words from Louise: "Remember how strong you are for choosing to live and study in another country and culture!"

**Upcoming events:**

June 7 - Ramadan break-the-fast at Pasha Grill
June 19 - Field Trip to Carillon Historical Park
