Dear Friends,

October is by far our favorite month in LEAP! Campus is beautiful with all the leaves changing colors. The temperature is comfortable and this month we have had lots of sunshine. And, October means it’s Halloween, a favorite holiday for our students. An annual tradition in LEAP is to carve pumpkins together and as you can see below we were happy to once again use our creativity to make Jack-O-Lanterns and other crafts in the LEAP office. Happy Halloween from all of us in LEAP!

A Visit to Dunbar Library
On October 14, we took a tour of the **Dunbar Library**. Beth Anderson guided us through all four floors. We visited the **Special Collections and Archives**, the **Student Technology Assistance Center**, and the **Educational Resource Center**. We learned about the myriad of services the library offers, saw individual study rooms, group study spaces and the cool exercise bikes you can use while studying. Thank you so much for the great tour, Beth!

**TESOL Club Ice Cream Social**

The TESOL Club hosted an ice cream social on the Quad on October 18. The weather was perfect for spending time outside and the LEAP students enjoyed making some new friends!

-- Seen on WSU's Campus

LEAP's Irena Joseph spoke to a group of high school students from Bosnia and Herzegovina when they visited WSU. Hosted by the City of Dayton, sponsored by the U.S. Embassy in Bosnia and Herzegovina, the students spent three weeks in Dayton learning and exploring. They will apply what they learned in the U.S. by developing and implementing youth-related projects in their home communities. Irena, a native of Bosnia and Herzegovina, talked to the students about studying in the U.S. and her work as a teacher in LEAP.
A big shoutout to our awesome colleagues across campus who have collaborated with us this month. For LEAP students preparing to enter the university, becoming familiar with resources available to them while at WSU is so important. Thank you for visiting our classes and sharing what you do.
