

## 2019 Senior Show Participation Agreement

I, \_\_\_\_\_, plan to graduate Spring 2019, Summer 2019, Fall 2019.

If I do not turn in my artwork by the drop-off deadline, I understand that the exhibition will be laid out and installed without my artwork included in the main gallery area. I am aware that all BFA students are required to exhibit in the senior show, so if I fail to meet the drop-off deadline, only one work will be exhibited.

I understand that if, following the show, my artwork is not removed by the pick up deadline, the gallery and the department will not be responsible for its safe keeping.

I understand that if my work is not properly framed, it will not be exhibited.

I agree to conduct myself in a professional manner.
