

I look forward to attending this fall's play, *Peter and the Starcatcher*. This family-friendly drama, filled with song and dance, answers the question "Where did Peter Pan come from?" The play opens next Thursday, September 26 and runs until October 6. Tickets are available [online](#) or by calling the Box Office at 775-2500. And it's not too late to buy season tickets for all 4 main stage productions. It's the best bargain in town and season tickets insure you see *The Addams Family*, *Mama Mia*, *Peter and the Starcatcher*, and *The Wolves*.

## PETER AND THE STAR CATCHER

October 4 and 5 will be **Homecoming Weekend** at WSU. Don't miss the annual Chili Cook-off, Casino Night, Trivia Night sponsored by our friends in the College of Education and Human Services, and multiple sporting events. New this year is the **Festival of Flight**, a celebration of the innovative and world-changing aviation heritage of Dayton and the Miami Valley region. On Saturday, October 5 the Nutter Center parking lot will host live entertainment and fun aviation-related educational experiences. There will be food trucks, local bands, a Kids Zone and a haunted trail. What fun!

And while we're on the subject of food, drink and entertainment, don't forget **COLA Night at Fifth Street Brew Pub**, 1600 East Fifth Street in Dayton. COLA faculty and staff will be guest bartenders, and all proceeds will benefit the **COLA Emergency Fund**. Hope to see you there Monday, September 23 between 6 and 9 pm.

COLA has two brand new certificates, **Career Advancement I and II**. These 18 credit hour credentials highlight the essential Liberal Arts skills employers desire: critical thinking, written and verbal communication, ethical judgment, and the ability to function in a multicultural workplace. Most COLA majors complete the requirements for the first certificate within GE and college requirements. Please encourage your students to sign up.

The **School of Public and International Affairs** and the departments of **English** and **History** have teamed up to present a panel called *Sound, Fury, and Silence: Understanding the Conflict in Kashmir*. The discussion will take place on Tuesday, September 24 from 3:30-5 in 340 Oelman Hall. The panelists are **Dr. Arvind Elangovan**, *HST*; **Dr. Pramod Kantha**, *SPIA*; **Dr. Alpana Sharma**, *ENG*; and **Mr. Burhan Kawosa**, *Finance*.
