ACCEPTABLE HANGING HARDWARE

All 2-D wall-mounted works must be delivered framed and ready to hang. These or similar hangers can be found at any Lowe’s, Home Depot, and Michael’s stores.

Wood Frame Hangers
Use with wire or with hook facing up

Metal Frame Hangers
Use with wire

Screw Eye Hangers
Use with wood frames and wire

install at 1/3 of picture height
wire point s/b about 3 inches from top of frame!

NOT ACCEPTABLE

Most hardware on ready-made commercial frames (including IKEA) are not compatible with the Galleries hangers or are considered unstable. Additional hardware as listed above may need to be installed.

Clip type frames are also not acceptable. No velcro or 3M hooks.
