

**The Golden Adventure**

Walking through the city  
Chaos everywhere  
Trying to go somewhere pretty  
Wanna be a millionaire

Packin up the boats  
Mapping the distance to measure  
Hoping I stay afloat  
Dreaming of treasure

Lost in the ocean  
Water is still  
Trying to stay in motion  
Wanting to get over this hill

Made it to the island found all the gold  
Hoping not to lose it so I can show what I've told
