Success!!!

54 celebrated with five German Inductees!

All those happy faces during the German induction ceremony on Friday, April 10, 2015, testify that the event was a success. Five inductees were present and shared a German object that was meaningful to them. Family and friends turned out in huge number: 54.

The purpose of Delta Phi Alpha is to recognize outstanding achievement in the German language and its literatures, and to enlarge the appreciation for the cultural contributions of the German-speaking world, and to promote German cultural activities.
